OBJECTIVE

Motivated and detail-oriented cybersecurity student with strong foundational knowledge in network and web security, ethical hacking, and cloud security. Seeking an internship opportunity in a dynamic organization where I can apply my technical skills, grow through hands-on experience, and contribute to strengthening digital security. Eager to learn and adapt in fast-paced environments.

EXPERIENCE

Network Administrator | Sharp Edge Security Zambia

2020 - 2024

Managed and secured company networks, implemented firewall rules and conducted regular vulnerability scans, performed system maintenance, and supported users with IT issues.

Data Entry And Management | Intercare Solutions Ltd

2023 – 2024

Handled accurate data input, maintained records, and ensured data integrity across company systems.

EDUCATION

CYBER SECURITY | Zambia University College Of Technology

2022 – 2025

Pursuing a Bachelor's Degree in Cyber Security with strong focus on network security, ethical hacking, digital forensics, and cloud computing. Consistently maintained a strong academic record. Completed hands-on projects using Kali Linux, Wireshark, and Python

SKILLS

- Network security analysis
- Cloud Security(AWS)
- Nmap, Wireshark
- Oracle DBMS
- MySQL
- Python Programming
- Communication
- Problem Solving
- Attention to details

ACTIVITIES

Cybersecurity Club Member, Zambia University College of Technology Participated in CTF challenges, security workshops, and peer-led training sessions.

Volunteer IT Support, Local Community Center Provided basic tech support and educated users on safe internet practices.

Certifications:

Google Cybersecurity Certificate (2024)
